The reversible Gemstone 2615-S single bowl sink provides a seamless kitchen, RV or laboratory sink in any solid surface sheet material; acrylic, polyester or blended. The 2615-S can be positioned with the drain on the left or right and has an accessory recess. Accessories that can be used with this model could be a colander, cutting board, drying rack, or more, which can slide from one side to the other in the recessed area. This sink fits well in a 30" cabinet and is ideal for a space saving kitchen.

Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands with the same sheet warranties.

Gemstone supports conservation and green building practices. Gemstone Packages all products in 100% recyclable packaging using boxes made primarily of recycled paper.

Gemstone sinks are proudly made in the USA and certified by:
