The Gemstone 2718-S Single Bowl Sink provides a seamless kitchen, RV or laboratory sink in any solid surface sheet material, acrylic, polyester or blended. The 2718-S offers an integral soap dish as well as an accessory recess.

Accessories that can be used with this model could be a colander, cutting board, drying rack, or more which can slide from one side to the other. This sink fits well in a 30" cabinet and is ideal for a space saving kitchen. The offset drain to the back frees up cabinet space under the sink.

Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands with the same sheet warranties.
