The Gemstone 2213-VO Baby Bath is the perfect integral solid surface solution for bathing babies. With the contoured back and baby bottom hugging design, this bath is the first bath truly

designed with the baby's comfort in mind. The contoured bottom is designed to help keep the baby in place while being bathed. The warmth and smoothness of the solid surface is ideal for the application. The solid surface is sanitary, easy to clean, non-porous, and stain resistant. Also available without an overflow.

Gemstone Sinks are compatible and warranted when used with all major solid surface sheet brands with the same sheet warranties.

Gemstone supports conservation and green building practices. Gemstone Packages all products in 100% recyclable packaging using boxes made primarily of recycled paper.

Gemstone sinks are proudly made in the USA and certified by:
